Het Sarvaiya	Data Flow Diagram, Updating Functionalities, User Interface (UI/UX)

Total Time Spent till Now:

- 6 hours

Estimated Remaining Time:

- 34 - 39 hours

Status with respect to the project management report and reasons if Delayed:

- As per planned

Problem Faced Related to the Project:

- While working on the team project there are a lot of ideas but some of the ideas are going out of track. We manage to summarize all ideas and bring them back on track.
- Since a high number of applications are out there for the same topic, finding some out-of-the-box characteristics was challenging for us.
